of mind and body

As a product of pure milk and cream—as a real food—as a dessert or refreshment, Donofrio's ice cream stands without peer in Arizona.

It is made in a clean daylight factory where the newest and most scientific methods are employed—where expense and labor are not spared in any way to make the name "Donofrio" stand for the highest quality and purity of ice cream.

Insist on knowing that the ice cream you buy is made by Donofrio.
